Our space is bigger and we will now have our own conference room. Something we have been desperately needing with all of our events and active and growing committees.

We have a list of 'wants and needs' for the new office space. We would like to put this list out to our membership first with the hope some of you have gently used furniture and/ or equipment your looking to sell or donate.

Trying to do our part to stay "GREEN"

We hope to be able to furnish and equip the new office space with previously owned goods.

Our List

Conference table, chairs, display racks, paper shredder, Multi- line phone system, and misc office equipment and furniture. Furniture does not have to be "office" furniture, think warm and cozy!
