POWHATAN CHAMBER OF COMMERCE
Promoting Community, Prosperity & Integrity

Time to Renew your Chamber Membership

Annual Dues

Chamber of Commerce sent out renewal forms at the beginning of January. We have received quite a few but we know there are a lot more businesses out there who want to stay included in the Chamber.

By renewing with the Chamber you will keep up with all our events and be eligible for Chamber partnerships and sponsorships throughout the year.

Our new Directory is in the works and by March we will be submitting our Chamber Roster to be Published in the new Directory.

If you have not renewed for 2010 you will not be listed in this beautiful new Directory.

Call the Chamber office or respond to this email and we can send you a renewal form via email or drop you one in the mail

recreational needs of all people in the County.

The library is open six days a week and has three evening and Saturday hours. It is a county library, meaning it operates as a department and receives funding from the county's general revenue sources. The state also provides partial aid for books, materials and Internet access. There are ten computers available for public use, two meeting rooms and a collection that reflects the diversity and character of the community.

All information related to the people who use the library is confidential. The staff is available to help locate information or provide books and other materials. It is a priority of the library in these difficult economic times to collaborate with other organizations and to work with local businesses. Please call the library or visit our website to find out more about resources that can help you improve your business.
